Hello Sari,

we confirm that all operations were ceased. Currently, we are holding USD 3.669.337,3734608 and BTC 0,01371672.

Unfortunately, we do not currently have SWIFT payment capability through our payment partners, so we are unable to make payment as instructed. Instead, we can offer to settle the payment in USDT stablecoin if this would be possible. In the case of BTC, we would ask you to provide us with a BTC address to which we should send the funds.

Regards,  
František Vinopal

Frantisek and Anna

This firm is counsel to Anthony Sodono, III, the court appointed temporary receiver in the matter pending in the United States District Court, District of New Jersey. I have attached a copy of the court order.

The defendants are prohibited from doing any business. Thus, you should cease all operations in connection with defendants' accounts, transactions, etc.

The assets of MFF should be frozen and directed immediately to my client. I understand you are holding funds.

Can you kindly confirm asap and as to the amount you are holding.

I have attached wire instructions to my law firm.

Thank you for your direct attention to this matter.
